About us

I provide all your hair care needs from the comfort of your own home. I will bring all the necessary supplies to you. Here are a few things you need to know before booking: I will need table space for my supplies, 2 chairs, a sink with running water, a power source, and light. For services that require rinsing of the hair, there are a few options:

1. We can use a sink and I can assist you rinse your hair or
2. You can choose to use your shower to rinse the product off and then I will proceed to blow drying and styling.
